Facts for your Success

- ▷▷ Action-driven series for tweens, teens and families
- ▷▷ Spectacular underwater scenes, shot on Australia's Gold Coast
- ▷▷ Award-winning, global smash hit sold in over 140 territories

Until “H2O – Just add Water,” mermaids belonged to the realm of fantasy and fairy tale. But ever since three Australian girls found out that they were genuine mermaids, the teen world has never been the same again! The adventures of the trio have found millions of devoted fans all over the world.

Emma, Cleo and Rikki are growing up on Australia’s sunny Gold Coast. One day, while on mysterious Mako Island, they end up trapped in a cavern concealing a pool of water. As they enter it, the light from the full moon creates a mysterious glow in the water. At home, the girls notice that if water touches them, they only have seconds to dry off before long, elegant tails appear. They’ve become mermaids! What’s more: they’ve also got magical powers!

While the girls enter a wonderful underwater world, their powers prove to be both a boon and a bane to them in their every-day lives. When Emma rescues bad boy Zane from a sinking boat, he turns out to be the biggest threat of all. Having seen

“something” in the water, Zane embarks on a hunt for the mysterious creature...

After sharing many adventures with her friends, Emma goes abroad and Bella turns up, a new mermaid who soon makes friends with Rikki and Cleo. Their friendship is put to the test, however, when good-looking Will arrives in town and charms both Bella and Rikki. But when the Moon Pool on Mako Island begins to turn threatening, the three friends band together to save the island and ward off a catastrophic event...

“H2O – Just Add Water” is another sensational hit series from blockbuster children’s-program master Jonathan M. Shiff (The Elephant Princess, Wicked Science). The award-winning series stands out for its sensational special effects and spectacular underwater photography. Sold in over 140 territories worldwide, the series has also spawned countless merchandising articles as well as popular fan sites. Take the plunge and discover why “H2O – Just Add Water” has the perfect recipe for success!
