## Logline

Adapted from the bestselling novels by Martin Michaud, the “Master of the Quebec thriller”, this fast-paced psychological thriller series leaves no emotion unturned as it tells the story of a driven detective and his pursuit of the evil behind unspeakable crimes.

## Synopsis

When troubled cop Victor Lessard becomes involved in a series of dark and disturbing murders, he has to sacrifice his own peace of mind in the pursuit of justice. Supported by his wry and perceptive partner, challenged by an exacting boss, and swept into a romance with a younger colleague, Victor must balance his drive, and obsession with the cases, against a complicated private and emotional life. Otherwise, these unsettling murders could be his undoing.
